About

Belle Casa (Glasgow) Limited was established by our client in this densely populated area of Glasgow in 2011. The business offers a full range of cleaning services including residential cleaning, film & TV support (set and accommodation), Airbnb cleaning, laundry services and one off cleans. It has become very well known in this area and has a strong base of regular customers in place as well as benefitting from a good amount of additional trade generated by word of mouth recommendations and referrals. Our client has ensured the business has an excellent reputation. Belle Casa (Glasgow) Limited has a basic website in place.

The business is ideally suited to a hands-on owner-operator but due to our client's retirement, the business is offered for sale. This presents an excellent opportunity for a new owner-operator or team to take the business to the next level.

Location

Belle Casa (Glasgow) Limited is operated from our client's home office with self employed housekeepers located around central Scotland. A new owner can relocate as preferred, though a base in this general area would be ideal.

Business Details

The business generates custom from a range of marketing campaigns both online and in local areas. Belle Casa (Glasgow) Limited has a superb reputation, repeatedly working within film & TV studios as well as long standing private residential customers. A new owner could look to expand services to include window cleaning, carpet/upholstery cleaning. There is also scope to develop relationships with local estate and letting agencies to provide end of tenancy and house move cleans.

Financial Information
